# HELP TO OVERRIDE **GOVERNOR THOMPSON'S VET HB 2564**

An override means immediate tax relief. Every family would save over two-and-a-half weeks of groceries annually. Senior citizens would save more than \$100. Figure your savings. Think how much that would mean to your family budget.

### HELP WIN TAX RELIEF

Why?

We need tax relief now. Governor Thompson promised it, but then he vetoed the only tax relief bill passed by the Illinois General Assembly. With Illinois collecting more revenues than anticipated there is a surplus of several million dollars. Illinois can afford immediate tax relief.

How?

Immediately contact your state legislators and urge them to override the Governor's veto of HB 2564. A vote to override will be a vote to abolish the state sales tax on food and medicine. It will save you money the state does not need.

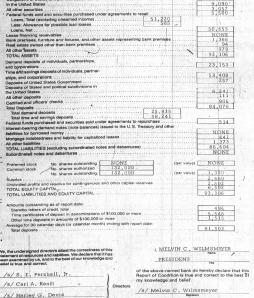

When?

Act now. The General Assembly will vote on the Governor's yeto in mid-October.
